

DICE is an umbrella with various platforms to jump start cycle of innovation towards sustainable development of the students. At DICE, we believe in fostering the culture of Design, Innovation, Creativity and Entrepreneurship among the students.

DICE vision

Rapid socio-economic development through Sustainable design, innovation, Communication and Entrepreneurship strategy.

Commoditize digital technology through bringing the Digital Revolution at all level of Education.

We bring the best of the world-renowned pedagogy, faculty and academic quality standards to India, keeping our academics strongly rooted to India and narratives that matter most to the sub-continent.

We seek committed students, at the under and post-graduate level to join us, fostering learning, innovation and a real-world change. Students, who are socially responsible, nurture the environment & are creators of a sustainable future.

DICE AMBASSADORS PROGRAM

Dice Ambassador Program is an award of financial encouragement to facilitate the student's academic achievement at DICE. The Dice Ambassador rewards excellence by supporting high achieving students with financial need who seek to attend our professional regular programs at ISDI/WPP/ISME.

Types of Scholarships available:-

Based on students' expectation and context, DICE is providing following types of Scholarships:

1. Merit Scholarships
2. Need Based Scholarships
3. Educators' Scholarships
4. Defence Scholarships

Merit Scholarships

In DICE, the Ambassador's Program encourages students to excel in academics, offering merit based scholarships in Undergraduate and Postgraduate studies. Students who have worked hard to maintain their good grades, can apply for the Scholarship program. If they meet the eligibility criteria, they qualify for the scholarship; wherein a percentage of the tuition fee is waived.

Eligibility for Undergraduate studies.

- Students who have scored 75% and above in class X & XII are eligible to apply for Under Graduate Merit based Scholarships.
- Students who have scored 60% and above in the Challenge test will be eligible to apply for the Scholarships.
- Consideration will be made on the discretion of Ambassadors Committee if the applicant has contributed in the field of literature, design, innovation, sports. The candidate has to submit proof of the same along with the set of documents that is mentioned below.

Eligibility for Postgraduate studies.

- Students with the grades of 75% and above in class XII and 60% in Graduation, are eligible to apply for Merit Scholarship.
- Students who have scored 60% and above in the Challenge test will be eligible to apply for the Scholarships.
- Consideration will be made on the discretion of Ambassadors Committee if the applicant has contributed in the field of literature, design, innovation, sports. The candidate has to submit proof of the same along with the set of documents that is mentioned below.

Need based Scholarships

We believe nothing should come in the way of quality education to deserving students, least of all, financial constraints. The DICE Ambassador's program offers financial aid for under and post graduate programs, where we waive a percentage of tuition fees to help deserving students in meeting educational expenses.

The Need based scholarships are awarded based on the parents' financial background. These need-based scholarships are designed to provide assistance for studies if students or their guardians are not able to afford tuition fees.

Eligibility for Undergraduate studies.

- Students with annual gross family income from all sources amounting to maximum Rs 15,00,000/- can apply in this category.
- Students who have scored 60% and above in class X & XII are eligible to apply for Under Graduate Merit based Scholarships.
