Undergraduate & Postgraduate Programs in Design

ISDI

Based in the heart of Mumbai, ISDI is one of India's leading schools of design and innovation.

ISDI offers cutting-edge and innovation focused programs that are based on intensive specialization.

The curriculum draws from strong fundamentals of liberal arts, critical observation, disruptive design thinking, exploration of emergent technologies and master classes.

ISDI empowers its students to tap into the full potential of their creativity. Students are carefully guided to use design for social and economic benefits and achieve unprecedented commercial success through innovation.

ISDI graduates become design leaders of the future who address real-world challenges by balancing high levels of creativity, technical capability and strong empathy for people.

ADMISSION PROCESS

At ISDI, we believe in spending time with each applicant before we make a selection. Therefore we accommodate a limited number of students on a particular day at each venue.

Therefore the ISDI challenge is conducted on multiple dates and various locations.

STEP 1

APPLY ONLINE

- Apply at www.isdi.in and pay the application fee online

STEP 2

ISDI CHALLENGE

- Design Aptitude test
- Collaborative Studio test
- Personal Interview

STEP 3

RESULT DECLARATION

- All results are declared online and also via selection emailers

STEP 4

ENROLLMENT

- Payment of admission fees by the prescribed date

Year 1

FIRST YEAR STUDIES

ISDI's first-year course enables students to explore design and innovation concepts, skills and critical practices, training them to become flexible thinkers and lifelong learners.

A sound knowledge of art history, prototyping, technology, creative writing and critical thinking is a must. To suitably equip them, The Foundation Year is packed with intensive seminars and studio classes.

The first-year curriculum constitutes a common experience for all incoming ISDI students, it sets the foundation for their ISDI experience.

During the first year, students work with advisors, in consultation with instructors, to define their goals and choose the appropriate specialization.

AREAS OF FOCUS

Drawing and Imaging

Design Writing & Reading

COLLABORATION WITH **PARSONS**

The Indian School of Design & Innovation has received curriculum development support from Parsons School of Design since its establishment in 2013. This unique partnership for curricular excellence ensures ISDI students have access to global contemporary curriculum, proven teaching-learning methods enabling our students to be the design leaders of the future.

EMPLOYERS & PARTNERS

The Indian School of Design and Innovation has close tie-ups with acknowledged leaders from different fields and industries. This corporate partnership provides students with invaluable hands-on experience and creates a valuable network for their future. The interaction exposes them to the best and empowers them to become successful front-runners in their chosen careers.
